Nathan Edson Chapter, NSDAR Presents Awards

The National Society Daughters of the American Revolution Historic Preservation Recognition Award recognizes and honors an individual or group that has done recent remarkable volunteer work at the community level. The award recognizes achievements in all areas of historic preservation: buildings, landmarks, monuments, cemeteries, historic districts, statues, museum collections, manuscripts, documents, and archival materials. It also includes writing or compiling and publishing books on historic preservation projects, historical properties, genealogical and courthouse records, and photography collections; as well as compiling oral histories; and serving as historical guides, interpreters, or docents. The Nathan Edson Chapter was honored to present this award to the National Orphan Train Complex at their annual Celebration on Friday, June 13. By preserving the oral histories and physical artifacts of the children, the National Orphan Train Complex is preserv-
