The Rolla Pirates hosted South Baca's basketball teams on January 21. The junior high Lady Pirates soundly defeated the South Baca Patriots 36-15. The Pirates boys' junior high team also

defeated the Patriots. The high school Patriots came with their A game and the high school Pirates, both teams, were defeated. The Pirates continue to work to improve their game and with

each game, one can see progress. Good sportsmanship has really come a long way under the coaching staff of Nik McAnarney, Cassie Thrall, Priscilla Milburn and Tyler Wasmuth.

Rolla Pirates Took on Yarbrough/ Felt Homecoming Night

January 24 was the Rolla High School Basketball Homecoming games against Yarbrough/Felt, OK. Dream First provided the buyout for the games. The Lady

Pirates had a slow start to their game but they finished with an exclamation point, toppling their opponent in the end. As the girls rushed to get ready for the coronation of the

homecoming queen, the boys began their quest for a win. The Pirates were not as fortunate as the ladies, and they succumbed to the more experienced Yarbrough/Felt team.

Rolla Students Participated in the Southwest Kansas Regional Science and Engineering Fair

Rolla took twenty projects to the Southwest Kansas Regional Science and Engineering Fair in Liberal on Saturday, January 25. In true Pirate fashion, many medals were awarded to the students. Intermediate winners (grades 6-8) were Charlotte Wood, bronze, in Animal Science. Maria Wall, gold, Chem-

istry, state qualifier, Elizabeth Garcia, gold, Sustainable Materials and Design, state qualifier, Kassandra Duenas, silver, Sustainable Materials and Design, state qualifier, Ezequiel Duenas, gold, Environmental Engineering, state qualifier, Lyrica Villegas & Trynadee Miller, silver, Materials Science, state qualifier, Iker Reyes,

silver, Microbiology, Dyllon Huber, gold, Physics and Astronomy, state qualifier, Brightyn McAnarney, bronze, Plant Science, state qualifier, Judith Wall, gold, Behavioral and Social Science, state qualifier. Junior projects (grades 4-5) winners were Leon Cortez & Messih Villegas, gold, Behavioral Science, state qual-

ifier, overall junior winner, \$300 cash prize, Xavier Reza & Connor Wasmuth, gold, Biomedical and Health Science, state qualifier, Logan Jenkins, gold, Material Sciences, state qualifier, Bella Duenas & Santiago Hernandez, gold, Microbiology, state qualifier, Eden Huber & Kaiden Hull, gold, Physics & Astronomy, state

qualifier. January Birthdays Celebrated

Larry Burrows displays his cake at the Rolla Senior Center. Photo courtesy of Wilene Burrows

January birthdays celebrated at the Rolla Senior Center included Larry Burrows. Larry, once the mayor of Rolla, enjoyed the delicious cake,

baked by his wife, Wilene Burrows. He shared with the other community members who eat at the senior center. Happy birthday, Larry!

Don't Forget

Powerline Technician

The position of **Powerline Technician** will open to applicants beginning on January 20 and will remain open until February 3, 2025. Responsible for constructing and maintaining the infrastructure that carries electricity from power plants to homes and businesses. This role involves working with high-voltage systems, climbing poles, and using specialized equipment to ensure a reliable and safe power supply. Work is performed on de-energized lines, energized lines, and equipment up to 600 volts.

High school diploma or equivalent is required. Technical training or apprenticeship (Apprentice Level III) in power line work and/or prior experience in electrical line work or a related field preferred.

Must possess a valid Class A driver's license or obtain this license within a specific amount of time.

Position description and application may be obtained at [www.tcec.coop](http://www.tcec.coop) under the Careers tab.

Tri-County Electric Cooperative, Inc.  
TCEC is an equal opportunity employer.
