Another new business!!!

When Crystal Hernandez joined Farmasi on March 26, 2024, she was searching for something more—more freedom, more confidence, and a way to impact others. What started as a leap of faith quickly

turned into a thriving business, fueled by passion, community, and a mission to help others shine from the inside out.

Today, Crystal leads a team of 60 empowered individuals—both women and men—who have created a ripple effect of confidence, financial opportunity, and personal growth across the country. Together with her business partner, Shari Rogers,

Crystal has turned this mission into something even bigger: a storefront.

The two entrepreneurs recently opened Team Sparkle Fabulously at 115 E. Ninth Street in Goodland, Kansas, offering the community a one-stop shop for clean, affordable beauty and wellness products.

Farmasi, the global brand behind it all, began in the 1950s in Turkey as a pharmaceutical company and later expanded into cosmetics, skincare, haircare, nutrition, and personal care. What sets Farmasi apart is its commitment to quality—producing everything in-house using European standards, cru-

elty-free practices, and dermatology-tested ingredients, all while keeping prices accessible.

“Our goal is to help people look good, feel good, and know that they have the power to change their lives,” Crystal says. “And now, we’re doing that right here in our hometown.”

Shari adds, “We’re passionate about helping women and men feel confident in who they are and empowered in everything they do. When people walk through our doors, we want them to know this space was created for them to grow, glow, and believe in what’s possible.”
