BEFORE THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS  
NOTICE OF FILING APPLICATION

RE: Merit Energy Company LLC- Application for a permit to authorize the enhanced recovery saltwater into the BKU 105, located in Haskell County, Kansas.

TO: All Oil and Gas Producers, Unleased Minerals Interest Owners, Landowners, and all persons whomever concerned.

You, and each of you, are hereby notified that Merit Energy Company LLC, has filed an application to commence the injection of saltwater into the Morrow formation at the BKU 105, located in the SE-SE-NW-SE Sec. 28-27-33W Haskell County, Kansas, with a maximum operating pressure of 2000 psig and a maximum injection rate of 2000 bbls per day.

Any persons who object to or protest this application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within thirty (30) days from the date of this publication. These protests shall be filed pursuant to Commission regulations and must state specific reasons why the grant of the application may cause waste, violate correlative rights or pollute the natural resources of the State of Kansas.

All persons interested or concerned shall take notice of the foregoing and shall govern themselves accordingly.
