

All-School Reunion no longer to be organized

The Hillsboro High School All School Reunion Committee recently announced that the reunion will no longer be held.

“The past several years the committee has asked for volunteers to help on the committee—giving relief to long-time members—and has had no response. The committee will continue maintaining the HHS alumni master address spreadsheet when we are given alumni updates. When your class is ready to plan your personal class reunion, please contact us and we will gladly email you a spreadsheet of your class alumni names/addresses. As you do your research, we ask that you give us your updates so we can keep our records updated the best we can,” said Jan Tingen.

Cynthia Fleming, who has worked on the committee for over 15 years, said, “I believe the reunion has gone on since 2000. Joel Klaassen and Delores Dalke planned the first reunions. They worked on the reunion for many years.”

The first few years, the reunion was held in conjunction with the Hillsboro Fork Fest on Memorial Day Weekend.

“None of the committee wanted to discontinue the reunion. But we felt it would be best to get a committee to plan it that would have some new ideas. We hope someone will see the benefit and step up. Unfortunately no one has stepped up yet. We hope individual classes will plan their 5th or 10th class reunion. Jan Tingen and myself have the list of classmates and will be glad to send the list to whichever class asks for it. We will share the entire list with someone if they are interested in planning an all school reunion,” said Fleming.

Past Oracles are available to view on the alumni page at www.usd410.net. Look for the alumni page. Past yearbooks are also available to view. For alumni info or questions, contact Cynthia Fleming at cfleming1105@gmail.com or Jan Tingen at jatingen@gmail.com.
