dieval Latin, it can take either a singular or plural verb in English. Paraphernalia most commonly refers to a group of apparatus, equipment, or furnishing used for a particular activity. For example, an avid sports fan may cover his walls with football and/or basketball paraphernalia. Merchandise is goods that are bought and sold. Film producers and distributors rarely manufacture film-related products themselves, but license the right to sell these products to other companies (called licensees). In most instances there is no risk to the producer or distributor (the licensor) because the licensee incurs all manufacturing and distribution expenses. The producer/distributor typically receives an advance payment for each product, as well as royalty payments, often between 5 and 10% of gross revenues from sales to retailers (in other words, the wholesale price). If the movie does not succeed and the products do not sell, the manu-

facturer is responsible for the loss. The major studios realize that not only can the sale of movie-related products generate substantial revenue, but the presale of merchandising rights can sometimes contribute to a film’s production budget, as in the case of Lord of the Rings, when 10% of the budget for the trilogy was apparently raised by selling rights to video games, toys, and merchandise companies. In addition, these products can be useful in promoting films and thus movie-based merchandise is often part of the massive, coordinated promotional campaigns often started months before a film’s release. Typically, 40% of movie merchandise is sold before a film is released. So in a way, you are both right.

Enjoy each day and be kind.

Here’s How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Fun By The Numbers

Like puzzles? Then you’ll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Lady Jays pick up first two wins

The Lady Jay varsity softball team picked up their first wins of the season on Friday, April 11, defeating Emporia 10-0 and 7-1 in a double header.

In the first game, the Lady Jay shut out Emporia by scoring a run in the first inning, four runs in the third inning and five runs in the fifth inning.

Cassidy Miller scored the first run of the game by doubling and coming home on Morgan Nabus’ hit. Nabus’ hit in the third inning brought in Makayla Smith, who reached on an error, and Rilynn Hotard, who singled. Then a single hit by Lilian Hayworth brought in Makenna Hatcher, a courtesy runner for Nabus, who reached on error; and a hit by Hannah Benoit brought Hayworth home.

The fifth inning ended prematurely because of the run rule. In that inning, Benoit and Hotard singled to bring in runs and hits by Bianca Neth and Miller, who both reached on an error, also each brought in a run. Runs were scored by

Hatcher, a courtesy runner for Hatcher, who singled; Myra VanSpreckelsen, who reached on an error; and by Neth, Benoit and Hotard.

On the mound, Smith struck out four. Faye Fortner caught two fly balls, and Nabus, Smith and Hayworth each caught a pop-up. Lady Jays also got outs on six ground balls.

They struck out six times and were out on five pop-ups, a fly ball and two ground balls.

In the second game, Emporia scored their one and only run in the second inning while the Lady Jays scored four runs in the first inning, two runs in the second and a run in the fourth.

In the first inning, Miller, Nabus and Hayworth doubled back to back to bring in a run including Hotard, who singled. Neth also singled and brought in a run.

In the second inning, Miller singled to bring in Hotard, who doubled; and Miller scored by tagging up as another player grounded out. Benoit scored the last run on a passed ball in the fourth inning after her hit got another player out advancing to second and she advanced bases because of Hayworth walking and Von Spreckelsen singling.

Hayworth struck out three on the mound. Miller, Vonspeckelsen and Nabus each caught a popup; Hatcher, three fly balls, Ellie Sanchez, a fly ball; and Hotard, a line ball. Lady Jays also got eight out on ground balls and one for offensive interference.

They struck out twice, and were out on 11 ground balls, two pop-ups and three fly balls.

On the girl’s side, senior Jaidyn Alvarado (100 pounds) and junior Juliana Villanueva (115 pounds) are currently the No. 1 ranked wrestler in their respective weight classes in Class 6A.
