### **USDA Reminds Livestock Producers** of Disaster Assistance Application **Deadline for 2024 losses**

The U.S. Department of Agriculture (USDA) reminds producers, including dairy producers impacted by H5N1, that the deadline to apply for financial assistance through the Emergency Assistance for Livestock, Honeybees and Farm-raised Fish Program (ELAP) is Jan. 30, 2025, for losses occurred in 2024.

ELAP provides emergency relief to eligible producers of livestock including dairy producers, honeybees, and farm-raised fish to assist with losses due to disease, adverse weather, or other conditions, such as wildfires, that are not covered by other FSA disaster assistance programs.
