PERFORMANCE PUBLIC HEARING NOTICE

The City of Herndon will hold a public hearing on Monday, July 14, 2025 at 7:30 p.m. in the Sunflower Villa, 647 Palermo, Herndon, Kansas, for the purpose of evaluating the performance of Grant Agreement Number 23-PF-002. The CDBG application proposed was for sewer system improvements to include repairs to the lagoon dikes, inlet structures and transfer structures. It was anticipated this would consist of dewatering each cell individually, excavating/removing the previously eroded material from the edge of the lagoon floor and recompacting it into the dike face. The dilapidated structures were to be replaced with new concrete water control structures (influent structure, two transfer structures between pools, manhole structure and piping between structures and pools). This project was completed as proposed. In addition, a change order was issued to remove significant sludge accumulation from lagoon ponds 1 & 2 and land apply. The project was funded, all or in part, from the Kansas Department of Commerce, Small Cities Community Development Block Grant funds. All aspects of the grant will be discussed, and oral and written comments will be recorded and become a part of the City of Herndon's CDBG Citizen Participation Plan. Reasonable accommodations are available for persons needing assistance. Requests for accommodations should be submitted to Kelsey Wahrman, City Clerk, by Friday, July 11, 2025.
