Two Australian Shepherds needing a new home.
Hello, We have two wonderful Aussies that sadly we need to give away. Izzy is a female approx 12 years old and Cooper is a male approx 10 years old. The two have been together on an 80 acre property just south of Concordia, KS their entire lives. The ideal new owner will need some space for them to stretch their legs. They are both very people friendly (the male loves petting and attention, the female is a little more timid) and are great dogs. call or text Dallas at 816-739-4431

The World's Lightest Wheelchair

For those of us who've found daily activities becoming more challenging, there's a remarkable breakthrough in mobility that's changing lives. This ultra-lightweight wheelchair is nothing like the bulky and heavy models of yesterday weighing over 35lbs! - imagine gliding effortlessly through your garden again, joining your family at the park, or meeting friends for coffee, all without worry of fatigue or dependency. Why not take that first step toward renewed freedom? Your next chapter of independence is here.

Throughout the ages, there have been significant advancements in mobility aids. From canes to walkers, rollators, and scooters,

these devices were created to help those with mobility issues maintain their independence. However, there haven't been any truly revolutionary new products in this field until now. Until now, that is, because a team of engineers has developed something that's set to change the game. They've created the world's lightest wheelchair, weighing only 13.5 lbs, a personal mobility solution that's been called a game-changer. It's called the **Featherweight Wheelchair**, and there is nothing out there quite like it.

The first thing you'll notice about the **Featherweight Wheelchair** is how light it is! This is the world's lightest wheelchair at 13.5lbs, making it possible for anyone to lift into a vehicle. It's modern design and custom color options make it very lightweight, durable, and great to look at.

Why take our word for it? Call now, and **receive \$50 Off** when you purchase a **Matte Black Featherweight Wheelchair! Only \$599!** Mention CODE 50FEATHER to start your journey towards effortless mobility.

★★★★★ **Lightweight wheelchair**

It's so light weight that it's no problem to lift in and out of the back of my car. It's also easy to set up and collapse down. It is very compact and the wheels come off for compact packing alongside luggage or groceries etc. My Mom finds it very comfortable to ride in as well and enjoys the look. We both love it.
