LET'S GO TO THE HM CO MUSEUM

by Kay Dennis Columnist

Over in the far north corner of the Hamilton County Museum there is a section I like to call Dr. Petterson's corner. We have articles from the old hospital (Donahue Memorial Hospital) such as baby beds, photo albums, and medical equipment from the past.

Also there are some personal items from several former doctors. Other than Dr. Petterson there is a Dr. Charles Clark. There are all kinds of instruments. It would be well worth your time to come to see. After looking at some of these instruments it makes me wonder how they survived. Enjoy!!

We are open Tues-Fri 2:00 -5:00 PM and on Saturday from 11:00 AM-4:00 PM.
