-SPECIAL NOTICES-

WATER LINE
Maintenance Starting in September. The City of Yates Center Water Department will be performing routine water line maintenance starting on September 26. During this time, water customers in Yates Center, as well as nearby water systems that receive water from our

plant, may notice a slight chlorine taste or odor in their tap water. This is a normal part of the maintenance process, and our team will be testing and monitoring the water daily to make sure it continues to meet all Kansas Department of Health and Environment (KDHE) standards and remains safe for consumption. Thank you for your patience as we take care of the system that keeps water flowing safely to your home! 37-3tc
