fy your insurer of your new address. And keep in mind that while your coverage stays the same, your premium might change depending on your new ZIP code.

One exception to be aware of is Medicare Select, a type of Medigap plan that uses provider networks. If you have one of these (they're not very common), you may need to switch plans when you relocate.

A move doesn't have to disrupt your Medicare, but it pays to plan ahead. Update your address, and if you have a Part D or Medicare Advantage plan, review your coverage and make any needed changes on time.
