

Sublette Hosts First Western Kansas Career Showcase of 2026-27

By Fritz Springmeier,
Jacksonian

Approximately 200 high school students gathered in Sublette Thursday, Sept. 10, for the first of 11 Western Kansas Career Showcases planned for the 2026-27 school year. The agriculture-focused event brought together students from area high schools with representatives from 12 Southwest Kansas agricultural businesses and seven colleges, giving students a firsthand look at career and educational opportunities available close to home.

Anthony Doll was an engaging speaker for Foley Equipment at Sublette's WKCS. He has worked for Foley for 29 years.

Varsity golfers Adalyn Boone, and Cara Leonard traveled to Cimarron to compete today. We had an amazing day! We struggled with putting but had some amazing shots outside of that. Incredibly proud of the dedication this week. Results are below.

Adalyn Boone shot a score of 92 and placed 5th individually.

Cara Leonard shot a score of 94 and placed 7th individually.
