Summer Crew polishes the school

Back to school preparations are continuing at the Rolla School. Time is running out on finishing projects but the summer maintenance and cleaning crews have worked hard to get the school ready for everyone. If you see any of the crew, please make sure you let them know how much

you appreciate all their hard work. The high school has a new coat of paint, as does the suburban sheds. New carpet was installed in the elementary after walls were painted. Tiles areas have received new coats of wax. Way to go, summer staff, for all your hard work!
