A PROPOSITION to amend section 1 of article 5 of the constitution of the state of Kansas to require individuals to be citizens of the United States, at least 18 years of age and a resident of the voting area in which such person seeks to vote in order to vote in this state.

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of article 5 of the constitution of the state of Kansas is hereby amended to read as follows:

A citizen of the United States, who is otherwise qualified to vote in Kansas for presidential electors and candidates for the offices of president and vice-president of the United States may vote for such officers either in person or by absentee ballot notwithstanding the fact that such person may have become a nonresident of this state if ~~his or her~~ such person's removal from this state occurs during a period in accordance with federal law next preceding such election.

(c) A person who is otherwise a qualified elector may vote in the voting area of ~~his or her~~ such person's former residence either in person or by absentee ballot notwithstanding the fact that such person may have become a nonresident of such voting area during a period prescribed by law next preceding the election at which ~~he or she~~ such person seeks to vote, if ~~his~~ such person's new residence is in another voting area in the state of Kansas.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. This amendment would clarify that only a person who is a citizen of the United States is eligible to vote in this state.

“A vote for this proposition would clarify that only a person who is a citizen of the United States is eligible to vote in this state.

“A vote against this proposition would make no change to the constitution of the state of Kansas, and the language concerning voter qualifications would remain the same.”

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2026, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case the proposed amendment shall be submitted to the electors of the state at the special election.

shameful. Kansans deserve a senator who shows up at town hall meetings, stands up for our interests, and lives in our state.

Fourth, Healthcare: Doctor Roger Marshall practices bad medicine.

Roger Marshall voted to gut Medicaid.

A report from the Centers for Healthcare Quality and Payment Reform found Kansas has 28 rural hospitals at immediate risk of closing — more than any other state.

Kansas is expected to lose \$4 billion in Medicaid funding over the next decade, harmful cuts that Marshall voted for. The Kansas Hospital Association says inadequate Medicaid

reimbursement is the #1 struggle rural hospitals face. But Marshall stops for photo -ops as if his very votes aren't putting hospitals at risk of closure.

Our Kansas senator should be working to keep rural hospitals open, not voting to cut the very funding that keeps their doors open. Kansas families deserve better.

Kansans deserve a senator who fights for them from the start, not one who sabotages investments in Washington and takes victory laps back home.

Conclusion: don't return Roger Marshall to Washington. He doesn't deserve being re-elected, and we Kansans deserve better.
