

LIONS — from page 6

Despite the loss the Lions showed grit as they consistently broke through the defensive line and did not give up throughout the game. Quanick Hamilton led the Lyons in rushing with 11 carries for 102 yards.

Freshman Gage Grizzle and Young led the team in tackles, with each having nine. Logan Ferguson, Stanley and Roman Hines all had fumble recoveries for the Lions.

Coach Seidl shared in the Ad Astra postgame show that he was not expecting a perfect season, but it takes each week to move in the right direction. “Don’t hit the panic button, but we are headed in the right direction,” Seidl said. He commented that the Lions need to use this

loss as fuel for the next game and keep with it. The Lyons Lions move to a record of 1-1 and will be back in action looking for a second win on Friday where they will face the Sacred Heart Knights at Kansas Wesleyan University. Kick off is set for 7 p.m.
