SHS debate competes at Hoisington

Sterling High School debate traveled to Hoisington Saturday, earning four medals and the first state qualification of the season. Sophomores Latham Kizzar and Cadie Padgett finished 3-1, good for second in junior varsity. First-year debaters Samuel Basgall and Lathan Rickard, competing in JV instead of novice, finished 2-2 and eighth place. A pair of varsity duos medaled: sibilings Danika and Easton Zimmerman

2-2 (fifth) and Silas Levering and Cooper Pieplow 2-2 (sixth). Easton Zimmerman became the first SHS debater to qualify for state after three straight weeks of competition (6-6 season record). Finishing outside the medal standings were sophomores Lyla Phillips/Bryson Thomas (JV), and the senior/junior combo of Caitlyn Mullins/Noah Gray (varsity). SHS travels to Hutchinson High School next on Saturday.

Announcement was made last week of the appointment by the postal department of Malcolm Blackhall as acting postmaster. He is to

begin his duties October 16. Malcolm succeeds Roy Considine, jr., who recently made application for transfer to a rural route. Considine will take over rural route 3, formerly carried by the late Roy Trimble, on the same day.

Major C. Hagar, newly hired city manager, arrived Monday from Lawrence to begin his duties here. He is staying at the Sterling hotel for the present.

The annual 4-H achievement night was held Monday evening, October 1 at the I.O.O.F. Hall. A very interesting feature was roll call answered by displaying and telling of the ribbons won at the county and state fairs. Frances Calderwood had charge of the installation service of the following officers: Marilyn Heter,

president; Donna Powers, vice president; Betty Engelland, secretary-treasurer; and Dwight Bennett, reporter.

Rube Youngberg of Hutchinson has leased the Skelly Service station here and took over October 1. The station will be known as Rube's Skelly Service and he plans to have an official opening October 20. Mrs. Youngberg and their three daughters now at home—Lois, 18, Sharon, 9 and Nadine, 7—plan to move here this weekend and will live in the apartment upstairs over the station. Roy Renollet, former operator of the station, has returned to the oil field to work.
