- Participation Totals: Volleyball - 26 (6-8th Grade), Cheer - 15 (6-8th Grade), Football - 15 (7th and 8th Grade)

• Fantastic Fridays - In order to help remind parents and patrons of the Fridays that we

are in school, and to celebrate with the students, Galesburg will be celebrating "Fantastic Fridays." On Fantastic Fridays students will be treated to a themed afternoon snack. We are planning a fun activity during the advisory period as well. Special thanks to Melissa Warner for sponsoring all of our afternoon snacks.

• Fall Sports - Fall sports got under way on Thursday, Sept. 3rd at Marmaton Valley. Please be aware that due to heat protections put in place by KSH-SAA, football start times may be delayed until it is deemed safe to play. GMS Football, Volleyball and Cheer compete at Erie High School versus Southeast on Thursday, Sept. 10th.

• September 10th Pep Rally - Galesburg Middle School will be hosting a pep rally to get pumped up for our first home games. The middle school band is preparing to play and our cheerleaders will lead us in some cheers. The pep rally will be at the end of the school day on Sept. 10.

• Open House - Galesburg Middle School hosted an open house for all parents and students on Aug. 12. There was a great turnout with more than 80 percent of students accounted for. We received quite a few compliments about the appearance of the school.

• Incentive Trips - Galesburg Middle School is planning five incentive activities throughout the school year. There are academic and behavior requirements to qualify to attend these activities. To qualify for the incentive activities a student cannot appear on the academic ineligible list, have an ISS or OSS, have more than 5 tardies, have any unexcused absences, or have more than 5 excused absences during the qualifying period. The first incentive activity will be Bowling at Lucky Strikes Bowling Alley in Erie.

The first incentive period will be Aug. 13 through Oct. 15.

• Drainage Project - Mr. Han attended a Neosho County Commission meeting Aug. 13 to discuss the drainage project at the intersection of Kingman and 70th Road. I gave all the information I had available. No decision was made at that meeting. Mastech has volunteered to contribute a large share of the labor and equipment to complete the work. I later found out that after some discussion the Neosho County Commission has agreed to let the work proceed. We will work to coordinate with all parties to make the work as seamless as possible.

• Timberwolf Way - As a team, the Galesburg Middle School staff came up with a set of goals and expectations for our students. This set of goals and expectations are called the "Timberwolf Way." The Timberwolf Way states that "Timberwolves are accountable for their actions, respectful to themselves and others, and responsible citizens." We have printed posters and posted them throughout the school. Each week we are focusing on one aspect of the Timberwolf Way. Our focus for the first week was being self aware. The focus for week two was being ready to learn. The focus for this week is being responsible.
