Thank you

The management and staff of the Columbus News Report would like to express our sincere appreciation to the Citizens of Cherokee County to the County Commissioners and County office holders for their confidence in our newspaper to have made us the Official County Newspaper for the past 10 consecutive years.

We are extremely proud of our record of never having to republish a county legal notice due to our error.

We thank the commissioners for recognizing our efforts.

We are also pleased that we will continue to be the official newspaper of the cities of Baxter Springs, Weir, West Mineral, Roseland and Columbus.

Despite the commissioners choosing another publication as the official newspaper, a political decision, we know, they know the News Report in the tradition is the best newspaper published in the county.

We will also remain the official newspaper of Riverton, Baxter Springs, Southeast and Columbus school districts and the official newspaper in 13 townships.

We would like to offer our appreciation for the letter of praise from Klenda Austerman, the attorneys handling the County Delinquent Tax Auction, when they said The News Report was the best publication in the 92 counties they worked with.

In those 10 years the paper received one rate increase from the county. Our standing as a true county newspaper is shown by our publishing the County Court Dockets and the property transfers as a public service. Timely news coverage, great columns and a love for Cherokee County have been our trademark.

And last, but certainly not least, we want to thank our subscribers. Without them we would not be publishing.

Thank you from our staff.
